

Prayer Guide

Through Building Hope For Tomorrow, we come together to thank God for the many ways in which he has already worked in our lives and the promise that he will continue to do so in the future.

Because of his great love for us, and the many blessings we have already received, we invite you to honor him through reading his word and spending time in prayer.

Seven years ago, Hope Ames became a campus. Now, as we look to building Hope for tomorrow, we welcome and encourage all of Hope Ames to pray together, wherever you may be, at 7:00 each day (morning or evening, or both). You may reflect on this prayer: *God, what do you want to do through me to accomplish your will at Hope Ames?*

On the reverse side of this sheet, you will find daily prayer themes and scripture to guide your reflections in specific parts of our church and community.

**“God,
what do
you want to
do through
me to
accomplish
your will
at Hope
Ames?”**
